

Murringo Public School

Newsletter – Term 2 Week 2 2025

From the Principal:

Welcome back to Term 2, I hope everyone had a relaxing holiday and is ready and eager to get back to school. With any luck everyone still has a few delicious chocolates left over from a visit from the Easter Bunny to help ease them back into the school routine. A dry start to our term with very little rain and I would like to thank our volunteers for coming in the school holidays to water our produce in the garden so it can keep producing delicious vegetables for our students to cook up.

Thank you to those of you who were at home and could make it to our wonderful Anzac Day. All the students looked absolutely amazing and the morning was exceptional. Thanks to parents and residents who marched and supported the children and provided a lovely morning tea.

Young Small School Cross-Country

What a wonderful and the best day at our Young Small Schools Cross Country last Friday! Our students did us proud, putting in a huge effort, connecting with our small school's friends, doing their best and supporting each other. Thank you to all our parents who travelled out to support our kids and for taking other children for those who could not be there.

Our results for the Cross-Country are as follows and these people will be progressing onto the District Cross-Country to be held on the 29th May at the Young Racecourse. More details to follow.

8/9 Year Girls 2000m			8/9 Year Boys 2000m

Premier's Sporting Challenge We have signed up for the Premier's Sporting Challenge again this year, the challenge aims to promote increased participation in sport and physical activity, leading to healthier, more active lifestyles. The PSC (Premier's Sporting Challenge) aims to get more students and staff more active, more often. Beginning in term two the students and staff will record their physical activity each week to strive to improve our physical fitness as well as achieve the gold or diamond certificate. Students will be receiving their logbook today so they can record their physical activities.

Do It For Dolly Day – Wear BLUE to School

On Thursday the 8th May, our school community will come together to honour the "Do It For Dolly" Day by donning blue attire and participating in an important learning session. So, dig down deep into the wardrobe and find anything to wear that is in the colour of **"BLUE"**!

Students will be discussing cyber safety and anti-bullying, fostering a culture of kindness and respect. The day is a heartfelt tribute to Dolly Everett, raising awareness and empowering students to stand against bullying and embrace positive online behaviours. Let's continue to make every day a "Do It For Dolly" day by spreading compassion and ensuring a safer, more supportive environment for all.

Hot Lunches

A reminder to all our families that hot lunches are happening during Term 2 and 3. If your child would like to bring something to put into the warmer at the beginning of the day so that it is delicious and toasty by lunch time, they are very welcome to do so. Pies, sausage rolls, hot dogs, toasted sandwiches and even pizza slices have proven very popular in the past. We ask that the student's lunch be wrapped in foil (no plastic containers) to help with the warming process and that their names are clearly written on the foil.

Winter Uniform In Term 2 we change into our winter uniform, long pants, grey or tartan, or tartan skirts and bottle green stockings. We have winter green waterproof jackets for those really cold days too. Remember you can wear a red or green beanie during the winter terms or the school hat. If you require any new uniform pieces, please contact Gina in the office. We also have an extensive second-hand collection of uniforms if you would like to update your child's winter uniform by utilising this resource. There is an order form attached to the newsletter for you.

Next P&C Meeting

Our next P&C Meeting will be held next Monday, after school at 3.15pm the 12th May. Please consider coming along and help make decisions and have an opinion on any issues.

We would like to thank everyone who helped us out last weekend at either the Election Day catering or at the Murringo Markets. We understand it is a big ask over both the Saturday and the Sunday, but it was out of our hands and we find these events are some of our biggest fundraisers and it so happened they fell on the same weekend. But thanks so much for lending a hand, making a cake or slice or selling a raffle ticket. It all helps your child and they love seeing you helping out, they catch up with their school friends and it teaches them community spirit. Thanks Donna for coming up with the marshmallow guessing competition, we are going to continue the guesses at our Mother's Day Lunch.

Mother's Day

This year, we're excited to celebrate Mother's Day by connecting through food and encouraging families to explore a variety of culinary dishes. We kindly ask that you bring your favourite meal recipe for our book on **FRIDAY, 9 MAY 2025 from 10.30am to 12 noon**. Together with your child or children, you will create an illustration and write the recipe to create a "Murringo Mum's Recipe Book" We look forward to sharing this special occasion with you! We will be opening up the classrooms for your child might like to take you on that tour and show you their work.

Mother's Day Stall

This Friday, we will be holding our annual Mother's Day stall, so that your child has a chance to purchase a gift for their someone special. Please send in an unwrapped gift up to the value \$5 or whatever you wish to donate to the Mother's Day Stall. Then send your child to school with \$5 on Friday to purchase a gift for their someone special. If you would like them to buy two gifts please give them \$10 and so on. The kids get so excited buying a gift and giving it to you on Sunday.

Young Careers Day

Out Year 6 Students were given the opportunity to visit the Young PCYC for Careers Day this afternoon. Gus, Toby, Izequil and Ebony took their time asking questions and seeking information about careers they were interested in. They got to meet Matt Batt from the Navy who gave them over 300 jobs they could have the chance to do within the defence forces.

They came back to school with lots of giveaways and lots to think about!
